About

I have a background in Computer Science, with a focus on UI/UX design. I am the type of person who seizes every opportunity to learn something new. That is why I enjoy challenges. From there, I'm under pressure to learn quickly and gain a lot of new experience.

Education

- CSE, Leading University

Bachelor of Science

I am doing B.s.c in Computer science & Engineering at Leading University. One of the award recipients for the best graduate of the university at the time.

Experience

- **Dribbble**
